Director General's Message

I am honored to share the recent achievements and initiatives of ESIC, the largest social security organization in India. For several decades, we have been diligently providing comprehensive social protection benefits to eligible workers, with the primary objective of extending social health protection and other social security benefits to formal sector workers covered under the ESI Act.

I am delighted to announce that ESIC has witnessed significant growth and expansion. In March 2023, we added 17.31 lakh new workers to the ESIC payroll, reflecting the increasing coverage of our scheme. Furthermore, approximately 19,000 new establishments have registered under the ESI Scheme, demonstrating the growing reach and trust in ESIC.

We are particularly proud of the age group distribution among our new registrations, with the majority comprising employees up to the age of 25 years. Specifically, 8.26 lakh employees, accounting for 48% of new registrations, belong to the 18-25 years age group. This indicates that our social security benefits are reaching and benefiting the younger workforce, ensuring a strong foundation for their future well-being.

ESIC remains committed to promoting gender inclusion and equal opportunities. In line with this commitment, we have registered 3.36 lakh new female workers, empowering them with social security benefits and recognizing their valuable contributions to the workforce. Additionally, we have extended the benefit of the ESI Scheme to 41 transgender employees, promoting inclusivity and fostering an environment of dignity and respect.

ESIC has also been actively participating in various initiatives. We recently participated in the 5th Rozgar Mela on 16th May 2023, which aimed to create employment opportunities and support the nation's economic growth. Notably, 12 Regional Offices of ESIC participated in the 5th Tranche of Rozgar Mela, held in 11 cities across the country. Furthermore, we have issued offers of appointment to 256 candidates, including UDC, MTS, paramedical and others, recognizing their talent and welcoming them to our organization.

ESIC continues to focus on increasing awareness about worker registration on ESIC portal. Through these efforts, we aim to ensure that more workers can avail themselves of the benefits provided by the scheme, enhancing their social security and overall well-being.

Lastly, ESIC observed Swachhta Pakhwada from 1st May to 15th May, underscoring the importance of cleanliness in creating a prosperous and healthy India. This initiative aimed to foster a culture of cleanliness and hygiene, contributing to the overall well-being of individuals and communities.

As the Director General of ESIC, I am immensely proud of our achievements and the commitment of our organization to deliver reliable social protection benefits. We will continue to drive innovation, excellence, and inclusivity to create a healthier and more prosperous India for all.

Mega Job-Fair Cum Shramik Chaupal observed on 27th - 29th May, 2023 at Bhopal, Madhya Pradesh

Shri Bhupender Yadav presents offer letters and e-labor cards to candidates and workers

The Mega Job-fair Cum Shramik Chaupal at Bhopal, Madhya Pradesh was organized by the Ministry of Labour and Employment, Government of India from 27th to 29th May, 2023 at I.T.I. Campus, Govindpura, Bhopal in association with Department

of Technical Education, Skill Development & Employment and Department of Labour, Government of Madhya Pradesh. On conclusion of the Mega Job Fair Cum Shramik Chaupal, Shri Shivaraj Singh Chauhan, Chief Minister of Madhya Pradesh and Shri Bhupender Yadav, Union Minister for Labour and Employment and Environment, Forest and Climate Change distributed the offer of appointment to the selected candidates and reviewed the working of ESI Scheme in Madhya Pradesh.

Dr. Rajendra Kumar, Director General, ESIC gave a presentation on the status of medical services and ongoing ESI projects in the state during the meeting. Various workers' welfare centric majors under ESI Scheme were discussed and decisions for establishment of new hospitals & dispensaries, etc. were taken in the meeting.

The jobseekers and employers registered on National Career Service (NCS) portal of the Ministry of Labour and Employment (MoLE) participated in the event. Total 107 employers participated in the job-fair including MRF Tyres, L&T Finance, HDB Finance, LIC, Bajaj Capital, Cosmos, Suzuki Motors, Times Pro, Princeton college, Katariya Group etc. The employers' association such as Confederation of Indian Industries (CII), Federation of Indian Chambers of Commerce and Industry (FICCI), Indian Staffing Federation also supported the event. The employers offered different job roles such as Assistant Professors, Training and Placement Officer, Electrical Engineer, Web Developer, IT expert, Bio Medical expert, Fitter, Turner, CNC mechanic etc. More than 3300 jobseekers participated in the job fair out of which, more than 630 jobseekers were selected on the spot by the employers. Further, more than 1000 jobseekers were shortlisted for further interview/recruitment by the employers.

The Shramik Chaupal was also organized along with Mega Job fair to sensitize workers, particularly those in unorganized sector, about Social Security/Welfare Schemes and to motivate and facilitate the workers to register under different schemes of Central and State Governments. In this connection, stalls of eShram, Pradhan Mantri Shram Yogi Maan-dhan (PM-SYM), Employers Provident Fund Organization (EPFO), Employees State Insurance Corporation (ESIC), Building and Other Construction Workers Welfare Board (BOCW), Chief Labour Commissioner (CLC), Department of Labour (Sambal) were setup at the programme

venue from 27th to 29th May, 2023 to facilitate registration, awareness and grievance redressal of the workers.

Around 2000 workers participated in the programme and registered with various welfare schemes of the Government. During the Shramik Chaupal, around 200 workers also received health check-up through ESIS. Shri Shivaraj Singh Chauhan, Chief Minister of Madhya Pradesh and Shri Bhupender Yadav, Union Minister for Labour and Employment and Environment, Forest and Climate Change also distributed certificates to eShram, PMSYM, EPFO, ESIC and other beneficiaries.

“

Many workers and their dependents attended the Shramik Choupal, where they were informed about the benefits and claims related to the ESI scheme. An insured person named Mr. Pramod Kumar Lodhi was also present in the Chaupal, who sought information regarding the benefits given by ESIC related to the education of his children. In this regard, he was given complete information about 'Ward of IP Scheme' by ESIC. His daughter Kumari Supriya Lodhi has appeared in the NEET exam this time. As a result, 'Ward of IP Certificate' was issued in this Shramik Choupal itself, giving them the benefits of the ESI scheme.
